ABOUT ME

Since my childhood, I am **passionate** about technology and programming. Then taught me to code. But web pages amazed me to learn and build more.

SKILLS

- HTML
- CSS
- Java Script
- React js
- Python
- Linux

OTHER EXPERIENCES

- **Leader** of the scout group.
- The **organizer** of small events.
- **Volunteered** Fests.

EDUCATION

BHARANI VIDHYALAYA - *High school degree*

I have completed high school with a Computer Science major.
